From the Principal's Corral -

Greetings Mustang Families,

I hope everyone had a chance to enjoy a wonderful summer away from the triple digits of the Central Valley. As we gear up for the new school year, I wanted to take a moment and reflect on the incredible achievements of our students last year. The 23-24 school year included a league leading 10 WYL League Titles, a Section Championship in Girls Swimming, two CIF Scholar Athlete of the Year Award Winners, and a 3rd Place finish at the National FFA Convention from our Ag Issues Team. These achievements truly showcase the dedication and hard work of both our students, teachers, and coaches.

I am also excited to tell you about some of our summer projects and new additions to the campus. If you have driven by the campus recently, you would have noticed that crews have been busy at work installing a new parking lot for students and staff. Additionally, several of our classrooms have been renovated with new floors, fresh paint, and new student workstations, which will provide a more vibrant learning environment for our students.

Knowing that parent involvement plays a crucial role in shaping the educational experience of our students, we have added a new position this upcoming school year, a Community School Coordinator. This individual's primary role will be to strengthen the bridge between the school and home, creating more opportunities for parents to engage in and provide valuable input on their child's education. I encourage all parents to take advantage of these upcoming opportunities through our new community schools center.

Lastly, to our Mustang students...I encourage you to explore the diverse opportunities available to you by joining clubs, sports, student leadership, and engaging in the performing arts such as band, drama, or dance. Whether it's marching in the band or simply dressing up for dress up day, participating in extracurricular activities not only foster school culture, but also creates lasting memories and friendships.

I am looking forward to a fantastic school year ahead, filled with growth, learning, and memorable experiences for all of our students. If you have any questions or need further information on how to get involved at school, please don't hesitate to contact the school.

Desde el corral del director -

Saludos familias Mustang,

Espero que todos hayan tenido la oportunidad de disfrutar de un verano maravilloso lejos de los tres dígitos del Valle Central. Mientras nos preparamos para el nuevo año escolar, quería tomarme un momento y reflexionar sobre los increíbles logros de nuestros estudiantes el año pasado. El año escolar 23-24 incluyó una liga líder en 10 títulos de la liga WYL, un campeonato de sección en natación femenina, dos ganadores del premio CIF Atleta Académica del Año y un tercer lugar en la Convención Nacional de la FFA de nuestro equipo de Asuntos Agrícolas. Estos logros realmente muestran la dedicación y el arduo trabajo de nuestros estudiantes, maestros y entrenadores.

También me complace contarles sobre algunos de nuestros proyectos de verano y las nuevas incorporaciones al campus. Si ha pasado por el campus recientemente, habrá notado que los equipos han estado ocupados trabajando en la instalación de un nuevo estacionamiento para estudiantes y personal. Además, varias de nuestras aulas han sido renovadas con pisos nuevos, pintura fresca y nuevas estaciones de trabajo para estudiantes, lo que brindará un ambiente de aprendizaje más vibrante para nuestros estudiantes.

Sabiendo que la participación de los padres juega un papel crucial en la configuración de la experiencia educativa de nuestros estudiantes, hemos agregado un nuevo puesto este próximo año escolar, un Coordinador de Escuela Comunitaria. La función principal de este individuo será fortalecer el puente entre la escuela y el hogar, creando más oportunidades para que los padres participen y brinden aportes valiosos sobre la educación de sus hijos. Animo a todos los padres a aprovechar estas próximas oportunidades a través de nuestro nuevo centro escolar comunitario.

Por último, a nuestros estudiantes de Mustang... Los animo a explorar las diversas oportunidades disponibles para ustedes uniéndose a clubes, deportes, liderazgo estudiantil y participando en artes escénicas como banda, teatro o danza. Ya sea marchando con la banda o simplemente disfrazándose para el día de disfraces, participar en actividades extracurriculares no sólo fomenta la cultura escolar, sino que también crea recuerdos y amistades duraderas.

Espero con ansias un año escolar fantástico, lleno de crecimiento, aprendizaje y experiencias memorables para todos nuestros estudiantes. Si tiene alguna pregunta o necesita más información sobre cómo participar en la escuela, no dude en ponerse en contacto con la escuela.

Back to School Night

Mark your calendars now for our annual Back to School Night.

It will be held on, **Tuesday, August 27th.**

This is an opportunity for you to meet the teachers and find out about course content, homework and grading policies.

It is a minimum day schedule for students.

Parking: Parking is available for all students and staff and can be accessed off of D Street. Additional parking is available in the temporary lot off of Pleasant St. The strip of the parking lot located between the pool and the field is reserved for staff only. The school does not cover any damages that may occur to student cars or theft of items left inside the car. If a student needs to leave for an appointment, he/she needs to come into the Attendance office and arrangements will be made to open the gate.

Modified Closed Campus: Tulare Western operates a modified closed campus. This means that only Juniors and Seniors in good standing (no discipline problems, no fines, etc.) and on track for graduation with no D's or F's in a class needed for graduation and with no more than 30 missed period absences may go off campus for lunch. Juniors must have 100 credits and Seniors must have 160 credits at the beginning of the 1st semester of 2024-2025 school year and on track to graduate to be able to go off campus for lunch. Off Campus privileges can be reached at the beginning of the 2nd semester if a Junior has accumulated 130 credits and a senior has 190 credits. Juniors and seniors must return on time, from lunch, to retain this privilege. If a student arrives late to school, before school, during breaks or lunch, they will lose their lunch privileges for 5 school days, and it is up to the student to go to the AP's Office to request their lunch privileges to be reinstated after 5 school days. Freshmen and sophomores cannot leave campus at lunch. Sophomores who have no more than 30 period absences and are on track to graduate with at least 90 credits in the second semester, may be given off campus privileges. There are two exceptions to this rule. Parents may take their students to lunch by checking in at the Attendance office. Students that live within walking distance, may walk home for lunch. This can be arranged by calling the Assistant Principal's Office. A parent or guardian must be home during the time that the student is home for lunch. Off campus permits are not issued during the lunch hour for students to go off campus for lunch.

Dance Attendance Policy: Any student wanting to attend any school dance must have an ID card; be in dress code and have no more than 15 period absences in the Fall Semester and 30 period absences in the Spring Semester. Please check your attendance before planning on attending. Upon entering a dance all students will be wanded and searched.

Noche de Regreso a la Escuela

Marquen ahora en su calendario ahora para nuestra Noche de Regreso a la Escuela.

Se llevara el **martes 27 de agosto**.

Esta es una oportunidad para que conozcan a sus maestros y se informen sobre el contenido de los cursos y sobre las políticas de tareas y calificaciones.

Es un día mínimo para los estudiantes.

Estacionamiento: El estacionamiento está disponible para todos los estudiantes y el personal y se puede acceder a él desde D Street. Hay estacionamiento adicional disponible en el lote temporal cerca de Pleasant St. La franja del estacionamiento ubicada entre la piscina y el campo está reservada únicamente para el personal. La escuela no cubre los daños que puedan ocurrir a los autos de los estudiantes o el robo de artículos dejados dentro del auto. Si un estudiante necesita salir para una cita, debe presentarse en la oficina de asistencia y se harán arreglos para abrir la puerta.

Campus Cerrado Modificado: Tulare Western opera con un campus cerrado modificado. Esto significa que sólo los estudiantes de 11 y 12 (juniors y seniors) que estén en buena situación (sin problemas de disciplina, multas, etc.) y manteniendo el camino de graduación sin D ni F en una clase necesaria para graduarse, y con no más de 30 ausencias de períodos perdidos pueden salir del campus para almorzar. Los juniors (11) deben a tener 100 créditos y los seniors (12) deben a tener 160 créditos a comenzando el primer semestre del año 2024-2025 en camino a graduarse, para poder salir de campus para almuerzo. Para mantener privilegio de salir del campus, cuando comienza el segundo semestre, los juniors (11) siempre deben que acumular 130 créditos y los seniors (12) acumular 190 créditos. Deben retornar a tiempo, de la hora del almuerzo, para mantener este privilegio. Si un estudiante llega tarde a la escuela, antes de clases, durante los recesos o el almuerzo, perderá sus privilegios de almuerzo por 5 días escolares, y le corresponde al estudiante ir a la Oficina de AP para solicitar que se le restablezcan sus privilegios de almuerzo después de los 5 días de colegio. Los estudiantes de 9 y 10 (freshmen y sophomores) no pueden salir del campus para almorzar. Estudiantes de segundo año que no tengan más de 30 períodos de ausencia y estén en camino de graduarse con al menos 90 créditos en el Segundo semestre, pueden recibir privilegios fuera del campus. Hay dos excepciones a esta regla. A veces los padres desean recoger a sus estudiantes para almorzar. Para acordar esto, el padre sólo necesita reunirse con el estudiante en la oficina de la Asistencia. Si el padre desea que su hijo camine a su casa para almorzar, el estudiante debe vivir entre la distancia de la escuela, para caminar. Eso se puede acordar llamando a la oficina del Subdirector. Uno de los padres o tutores debe estar en casa durante el tiempo en que el estudiante permanece allí para almorzar. No se entregan permisos para que los estudiantes salgan del campus durante la hora de almuerzo.

Política de asistencia al baile: Cualquier estudiante que quiera asistir a cualquier baile escolar debe tener una tarjeta de identificación; estar en código de vestimenta y no tener más de 15 períodos de ausencia en el semestre de otoño y 30 períodos de ausencia en el semestre de primavera. Por favor verifique su asistencia antes de planear asistir. Al entrar a un baile, todos los estudiantes serán varita y buscado.

Policy on Schedule Changes

Throughout the year, numerous requests for schedule changes are made for many different reasons. It is important to realize that students are often placed in the alternate choice class because there is not enough space to accommodate all of the requests for some classes. Therefore, it is important to select a satisfactory alternative. The counseling staff will only change a schedule due to extenuating circumstances such as:

- To correct a schedule conflict or an incomplete schedule
- To adjust a schedule due to a change of summer school plans or failure to pass summer school class.
- To act upon teacher recommendation regarding a student placement (parent conference required)

Requests for Schedule Changes

If your schedule change request meets one of the extenuating circumstances listed above, you will need to email or call your counselor and request a schedule change. The deadline to request a schedule change is Friday, August 16th at 3:30pm. Please contact your counselor to request a schedule change.

Technology Agreement 2024-2025

EQUIPMENT

This District-issued Device Agreement (“Agreement”) governs the loan of Chromebooks (“Computing Device”), accessories, and related equipment (collectively referred to herein as “District-issued Device”) to Tulare Joint Union High School District (“TJUHSD”) students, in hopes of facilitating student access to TJUHSD’s online educational network.

A District-issued Device, assigned to a particular student, shall remain the property of TJUHSD. Therefore, there is no expectation of privacy when using a District-issued Device. TJUHSD reserves the right to inspect any District-issued Device at any time during the school year without the prior authorization of a student or the student’s parent, or legal guardian. Administration and faculty reserve the right to monitor, modify, lock, erase, search, and/or confiscate the District-issued Device at any time. In accordance with Education Code section 48900, et.seq, TJUHSD and school policy, misuse of the District-issued Device may result in disciplinary action up to and including expulsion. Student may not loan the District-issued Device to family or friends. Student’s use of the District-issued Device is subject to the TJUHSD Responsible Use Policy (“RUP”), including student and parent’s specific consent to the search and seizure of the District-issued Device, by the TJUHSD’s authorized representative, a System Administrator, or any Peace Officer at any time of the day or night and by any means as further described in the RUP.

Usage of a District-issued Device is a privilege and not a right. A District-issued Device is not an essential part of the TJUHSD’s educational program.

SUBSTITUTION OF EQUIPMENT

In the event that a District-issued Device becomes inoperable, TJUHSD has a limited number of spare District-issued Devices for use while student’s District-issued Device is repaired or replaced. This Agreement remains in effect for the substitute District-issued Device.

CUSTOMIZATION OF EQUIPMENT

Student is permitted to customize the digital environment of the assigned District-issued Device to his/her own working styles (e.g., school appropriate wallpaper, favorites, background). Student is not permitted to install software or apps on the assigned District-issued Device. Student may not customize the exterior physical appearance (e.g., stickers, graffiti, or carving) of the District-issued Device. Student is not permitted to repair, alter, modify, or replace a District-issued Device without express written authorization from TJUHSD Assistant Superintendent of Technology or designee.

STUDENT/PARENT FINANCIAL COMMITMENT

A District-issued Device is provided to student through State, TJUHSD and Federal funds. Prior to checking out the District-issued Device, TJUHSD asks that each student provide a \$25 lease fee (“Lease Fee”) each school year to assist in the maintenance of District-issued Device and TJUHSD online educational network. Student may request a waiver of the Lease Fee by filling out an application with the TJUHSD district office.

If parent is unwilling to accept financial responsibility for the device, TJUHSD will take appropriate steps to ensure that student is provided access to educational material substantially similar to the material accessible through a District-issued Device.

The District-issued Device may be collected by the school’s appointed designee at any time for updates and routine maintenance. In the event a device is collected for maintenance, a loaner device will temporarily be checked out while the maintenance is performed. If student leaves his/her school before the end of the year, he/she must return the District-issued Device to the school’s appointed designee as part of the checkout process to release financial liability.

DAMAGE OR LOSS OF EQUIPMENT

Student is solely responsible for the care and security of the District-issued Device they receive. Student is responsible for the full cost of replacement for any District-issued Device that student fails to return to TJUHSD or willfully damages. TJUHSD reserves the right to withhold student’s grades, diploma, and/or transcript until such payment is received. Student is responsible for the following costs if the District-issued Device is damaged or not returned:

District-issued Device	Replacement Cost
Screen	\$80
Keyboard	\$30
Charger	\$18
Stylus	\$10
Total Loss	\$400
Theft	\$400

**Costs are subject to change at the beginning of each school year without notice.*

In lieu of the payments listed above, TJUHSD shall offer the option of parent/student volunteer work. The volunteer work, including the type of work, hours required, and location shall be determined solely by the Superintendent or designee. Optional insurance coverage may be available pursuant to TJUHSD'S Device Insurance Policy.

District-issued Device must never be left in an unsecured location or any unsupervised area. Any District-issued Device left unattended and found on campus, should be turned into the main office. District-issued Device shall not be stored on campus overnight, unless required by the staff. If the District-issued Device is damaged or malfunctions, student must take the device to the school's appointed designee within 3 school days for evaluation. In the event that student is unable to bring the District-issued Device to the school's appointed designee, he/she must contact the site principal via telephone or via email within 3 school days outlining the nature of the damage or malfunction.

Chromebooks are issued to the student for their entire 4 years of high school. The student is responsible for safely storing the chromebook over vacations and is free to use the device for personal use and school work assigned over breaks. Chromebooks may be required to be turned in if switching schools within the district and are required to be turned in if the student leaves the Tulare Joint Union High School District. If the District-issued Device is lost or stolen, the student must report the incident to the main office and/or principal and the Technology Department within 3 school days. **In the case of theft, student must also file a police report.**

Este Acuerdo de Dispositivo emitido por el Distrito ("Acuerdo") governa el préstamo de Chromebooks ("Dispositivo de Computación"), accesorios y equipos relacionados (denominados colectivamente en el presente como "Dispositivo emitido por el Distrito") al Distrito de Escuelas Secundarias de Tulare Joint Union ("TJUHSD"), con la esperanza de facilitar el acceso de los estudiantes a la red educativa en línea de TJUHSD.

Un Dispositivo emitido por el Distrito, asignado a un estudiante en particular, seguirá siendo propiedad de TJUHSD. Por lo tanto, no hay expectativa de privacidad cuando se utiliza un Dispositivo emitido por el Distrito. TJUHSD se reserva el derecho de inspeccionar cualquier Dispositivo emitido por el Distrito en cualquier momento durante el año escolar sin la autorización previa de un estudiante o del padre o tutor legal del estudiante. La administración y la facultad se reservan el derecho de monitorear, modificar, bloquear, borrar, buscar y/o confiscar el Dispositivo emitido por el Distrito en cualquier momento. De acuerdo con el Código de Educación, sección 48900, et.seq, TJUHSD y la política escolar, el uso indebido del Dispositivo emitido por el Distrito puede resultar en una acción disciplinaria que puede incluir la expulsión. El estudiante no puede prestar el Dispositivo emitido por el Distrito a familiares o amigos. El uso del dispositivo proporcionado por el distrito por parte del estudiante está sujeto a la Política de uso responsable ("RUP") de TJUHSD, incluido el consentimiento específico del estudiante y de los padres para la búsqueda e incautación del dispositivo proporcionado por el distrito, por parte del representante autorizado de TJUHSD, un administrador del sistema, o cualquier oficial de paz en cualquier momento del día o de la noche y por cualquier medio como se describe más adelante en el RUP.

El uso de un Dispositivo emitido por el Distrito es un privilegio y no un derecho. Un Dispositivo emitido por el Distrito no es una parte esencial del programa educativo de TJUHSD.

SUSTITUCIÓN DE EQUIPO

En el caso de que un Dispositivo emitido por el Distrito deje de funcionar, TJUHSD tiene una cantidad limitada de Dispositivos emitidos por el Distrito de repuesto para usar mientras se repara o reemplaza el Dispositivo emitido por el Distrito del estudiante. Este Acuerdo permanece vigente para el Dispositivo sustituto emitido por el Distrito.

PERSONALIZACIÓN DEL EQUIPO

Se permite que el estudiante personalice el entorno digital del Dispositivo emitido por el Distrito asignado a sus propios estilos de trabajo (p. ej., fondo de pantalla apropiado para la escuela, favoritos, fondo). El estudiante no puede personalizar la apariencia física exterior (p. ej., calcomanías, talladogratito) del Dispositivo emitido por el Distrito. No se permite que el estudiante repare, altere, modifique o reemplace un Dispositivo emitido por el Distrito sin la autorización expresa por escrito del Asistente del Superintendente de Tecnología de TJUHSD o su designado.

COMPROMISO FINANCIERO DEL ESTUDIANTE/PADRE

Se proporciona un dispositivo emitido por el Distrito al estudiante a través de fondos estatales, TJUHSD y federales. Antes de retirar el dispositivo emitido por el distrito, TJUHSD solicita que cada estudiante pague una tarifa de arrendamiento de \$25 ("tarifa de arrendamiento") cada año escolar para ayudar en el mantenimiento del dispositivo emitido por el distrito y la red educativa en línea de TJUHSD. El estudiante puede solicitar una exención de la tarifa de arrendamiento completando una solicitud en la oficina del distrito de TJUHSD.

Si el padre no está dispuesto a aceptar la responsabilidad financiera por el dispositivo, TJUHSD tomará las medidas adecuadas para garantizar que el estudiante tenga acceso a material educativo sustancialmente similar al material accesible a través de un Dispositivo emitido por el Distrito.

El Dispositivo emitido por el Distrito puede ser recogido por la persona designada por la escuela en cualquier momento para actualizaciones y mantenimiento de rutina. En caso de que se recolecte un dispositivo para mantenimiento, se prestará temporalmente un dispositivo prestado mientras se realiza el mantenimiento. Si el estudiante deja su escuela antes de que finalice el año, debe devolver el Dispositivo emitido por el Distrito a la persona designada por la escuela como parte del proceso de pago para liberarse de la responsabilidad financiera.

DAÑO O PÉRDIDA DEL EQUIPO

El estudiante es el único responsable del cuidado y la seguridad del Dispositivo emitido por el Distrito que recibe. El estudiante es responsable del costo total del reemplazo de cualquier Dispositivo emitido por el Distrito que el estudiante no devuelva a TJUHSD o que dañe intencionalmente. TJUHSD se reserva el derecho de retener las calificaciones, el diploma y/o el expediente académico del estudiante hasta que se reciba dicho pago. La cobertura de seguro opcional puede estar disponible de conformidad con la Póliza de seguro de dispositivos de TJUHSD.

Scholarships/College Applications/Suggestions for Seniors

Many seniors will be applying to colleges and filling out scholarship forms this year. Quite a few of these applications require a letter of recommendation from a teacher or counselor. Seniors can plan ahead by giving ample notice to the person they plan on asking to write the letter. When students need a letter “tomorrow” it makes it difficult to write an effective letter. It will also help the writer if he or she is provided with a resume about the student’s involvement in school and activities.

Postulaciones a Becas/Collegio Sugerencias para los “Seniors”

Estudiantes de 12 grado (seniors) postularán a los colegios y llenarán nuestros formularios de postulación a becas este año. Varias de estas postulaciones necesitarán una carta de recomendación de un profesor o consejero. Los estudiantes pueden planear en tiempo y así den a la persona a Muchos quien solicitan la carta suficiente tiempo para escribirla. Cuando los estudiantes necesitan una carta “mañana”, es difícil que lo haga en forma efectiva. También será de ayuda si se le entregan un resumen sobre la participación del estudiante en la escuela y en sus actividades.
